

ULTRAMARINE™

LAKE & POND DYE IN WATER-SOLUBLE PACKETS

PRINCIPAL FUNCTIONING AGENTS

Proprietary blend of water-soluble dyes and stabilizers..... 100.0%

PRECAUTIONARY STATEMENTS

Before using this product, read the entire label including the conditions of sale.

CAUTION: KEEP OUT OF REACH OF CHILDREN

STATEMENT OF PRACTICAL TREATMENT

- If Swallowed:** Drink large amounts of water and induce vomiting.
- If Inhaled:** This material is not expected to be an inhalation problem.
- If in Eyes:** Flush with plenty of low-pressure water.
- If in Skin:** Wash exposed areas with soap and water.

GENERAL INFORMATION

ULTRAMARINE is a proprietary blend of environmentally friendly, nontoxic, water-soluble dyes formulated to reduce sunlight penetration and impart a natural blue color when applied to ponds, lakes and fountains. ULTRAMARINE packets are protected by a unique, waterproof, foil-lined over pack to prevent accidental staining while handling.

ULTRAMARINE, and its water-soluble packaging, dissolve quickly and are nontoxic to turf grass, birds, mammals, reptiles, fish or other aquatic species.

Irrigation, swimming and other recreational uses are approved during and following the use of this product.

Applications to chlorinated water may require more frequent treatment.

DIRECTIONS FOR USE

FOR APPLICATION TO PONDS, LAKES, FISHERIES AND ORNAMENTAL BODIES OF WATER.

IMPORTANT: DO NOT APPLY THIS PRODUCT TO WATER INTENDED FOR DIRECT HUMAN CONSUMPTION. DO NOT USE THIS PRODUCT IN STREAMS, RIVERS OR OTHER BODIES OF WATER, WHICH ARE NOT UNDER CONTROL OF THE USER. ONLY USE THIS PRODUCT IN ACCORDANCE WITH LOCAL, STATE AND FEDERAL REGULATIONS.

Open the foil-lined over pack to dispense the water-soluble packet(s). Holding onto the foil-lined over pack, drop or throw the ULTRAMARINE packet(s) into the body of water.

Water temperature and degree of agitation will influence dissolution and dispersion of ULTRAMARINE packets

USE RATE

Each ULTRAMARINE packet will effectively treat one (1) acre foot, or approximately 325,852 gallons of water.

To determine the initial number of packet(s) to apply, multiply the surface acres of the body of water by 4. Once dye has been dispersed, adding additional packet(s), if desired can increase color intensity.

STORAGE AND DISPOSAL

IMPORTANT: DO NOT OPEN THE PROTECTIVE OVERPACK UNTIL YOU ARE READY TO DISPENSE THE PACKET(S). MOISTURE WILL DISSOLVE PACKET(S). DO NOT ALLOW PACKET(S) TO BECOME WET UNTIL THEY ARE ADDED TO THE BODY OF WATER. Always dispose of rinsate, and foil-lined over pack, in compliance with local, state and federal regulations.

CONDITIONS OF SALE

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Turfgrass, Inc. warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Turfgrass' control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated hereon and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
